Pr. Giuseppe Cantatore

Professor Giuseppe Cantatore graduated in Medicine in 1980 at the University of Rome "La Sapienza".

In 1983 he specialized in General Dentistry at the same University. Pr. Cantatore taught Endodontic at the University of L'Aquila from 1987 to 1991 and of Rome "La Sapienza" from 1992 to 1998.

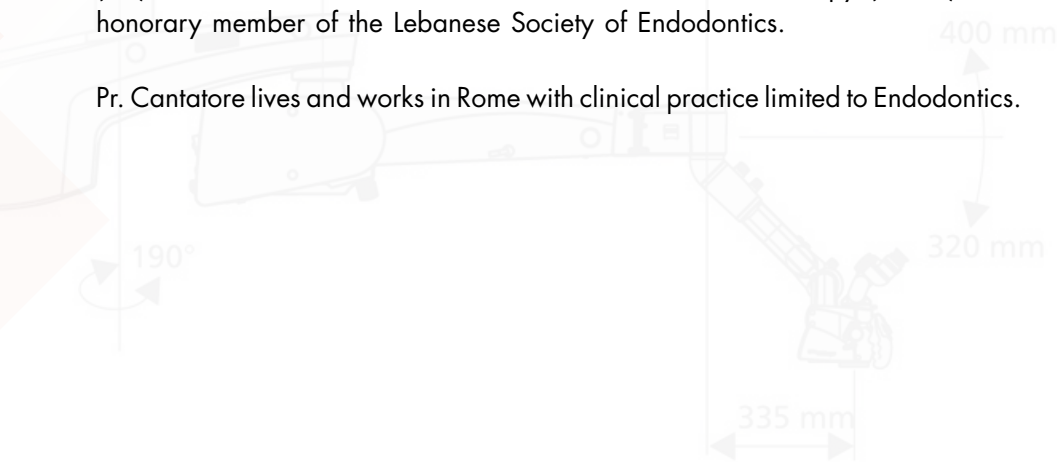

From 2000 to 2014 he has been Associate Professor of Endodontics at the University of Verona-Italy. From 2014 he is Professor of Endodontics and Restorative Dentistry at the University San Raffaele in Milan.

Pr. Cantatore is Author of more than 100 articles mostly related to Endodontics published in National and International Dental Magazines.

As an International Speaker Pr. Cantatore gave Precongress Courses, Workshops and Presentations during the most important International Meeting; among them the American Association of Endodontists, the IFEA (International Federation of Endodontic Associations) and the European Association of Endodontists (ESE).

At the present moment Pr. Cantatore is Past-President of the European Society of Dental Microscopy (EFAM), Past-President of the Italian Society of Endodontists (SIE), Past President of Italian Association of Dental Microscopy (AIOM), and honorary member of the Lebanese Society of Endodontics.

Pr. Cantatore lives and works in Rome with clinical practice limited to Endodontics.

Dr. Filippo Cardinali

Graduate in Dentistry and Dental Prosthesis at the University of Ancona in 1992.

Active Member of the Italian Society of Endodontics.

Certified Member of the European Society of Endodontology.

Associate Member of the American Association of Endodontists.

Active Member of Style Italiano Endodontics.

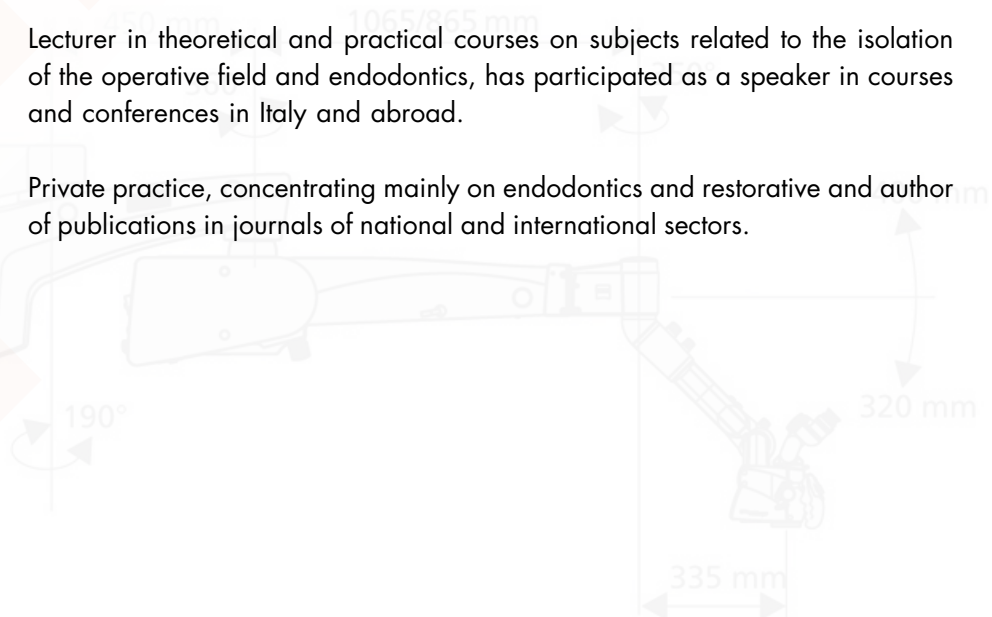

In the Italian Society of Endodontics (SIE), currently holds the position of Treasurer.

Co-author of the book "Text atlas of anatomy endodontic" published by Tecniche Nuove in 2011. Co-author of the book "Isolation of the operative field: how to streamline the clinical and improve their professional quality life" published by ANDI Servizi in 2013.

Co-author of the book "Manuale di Endodonzia" published by Elsevier Masson Italy in 2013.

Lecturer in theoretical and practical courses on subjects related to the isolation of the operative field and endodontics, has participated as a speaker in courses and conferences in Italy and abroad.

Private practice, concentrating mainly on endodontics and restorative and author of publications in journals of national and international sectors.

Dr. Gianluca Plotino

Gianluca Plotino was born in 1978 in Rome, Italy.

He graduated in dentistry from the Catholic University of Sacred Heart of Rome in 2002. He received the "Alfred Bean Memorial" prize from the Chicago Dental Society for the best Italian research graduate thesis 2001-2003, the "Hans Genet Award" from the European Society of Endodontology, for the best European Researcher in 2013 and several other research prizes.

He became Assistant Professor of Endodontics in the School of Dentistry at the Catholic University of Rome spending his time teaching, giving lectures and participating in the faculty practice.

Dr. Plotino was Professor of Endodontics in the School of Dental Hygiene from 2005 to 2008 at the Catholic University of Rome where he obtained his PhD in 2009.

From 2009 he is working in the Department of Endodontics at the "Sapienza" - University of Rome as Senior Lecturer and Professor of Scientific English in the School of Dental Hygiene.

Gianluca Plotino is a certified member of the European Society of Endodontology (ESE), International Member of the American Association of Endodontists (AAE), active member of the Italian Society of Conservative Dentistry (SIDOC) and the Italian Academy of Endodontics (AIE).

Dr. Plotino is part of the Editorial Board and official reviewer of several journals and has organized several research groups worldwide.

He is author and co-author of more than 70 articles in scientific international peer-reviewed journals with impact factor on different endodontic and restorative topics and he has contributed with 4 chapters in textbooks and monographies and with several images in the textbook of the Italian Society of Endodontics (SIE) "Atlas of Endodontic anatomy".

Dr. Plotino has given several lectures, courses and hands-on courses worldwide and he also works in his own private practice limited to endodontics and restorative dentistry in Rome, Italy.

Dr. Oscar Von Stetten

1996-2001 Study of Dentistry at Freie Universität Berlin.

Working since 1998 with magnification in Dentistry.

2001 purchase of the first microscope.

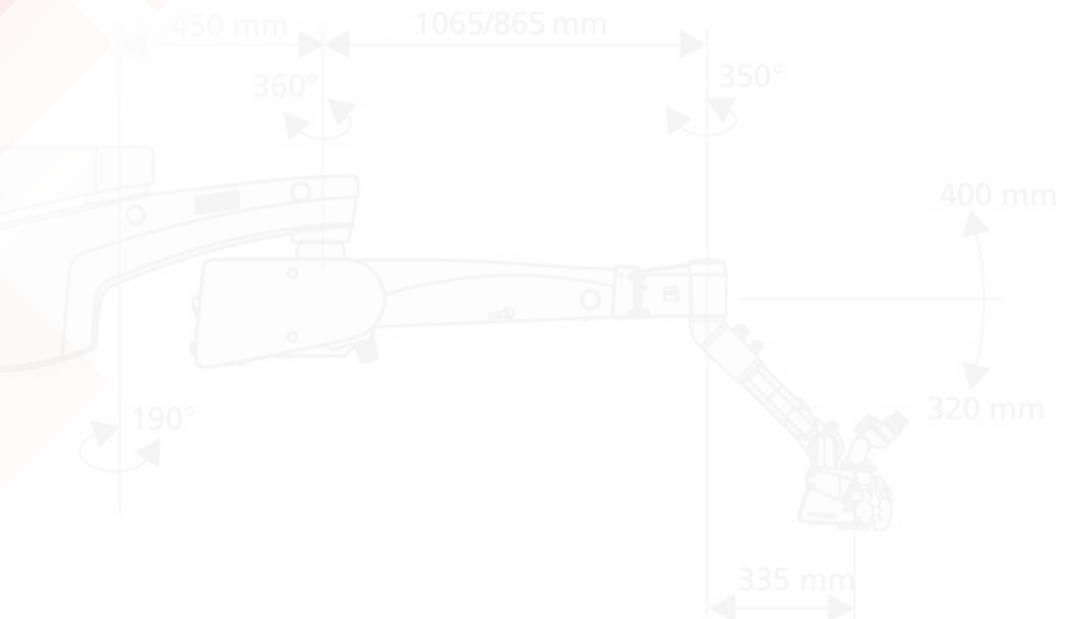

Since 2002 focused on endodontics in private practice.

Since 2006 referral based private practice for endodontics.

OPL for various Dental companies

Lecturing international on Ergonomics with the scope, Documentation with the scope, CBCT and Endodontics.

Membership of various dental associations, Publications on Endodontics and Documentation with the Microscope.

Dr. Fabio Gorni

Graduated from the Milan Dental School in 1984.

Visiting professor for the dept of Endodontics of the S. Paolo Hospital in Milano.

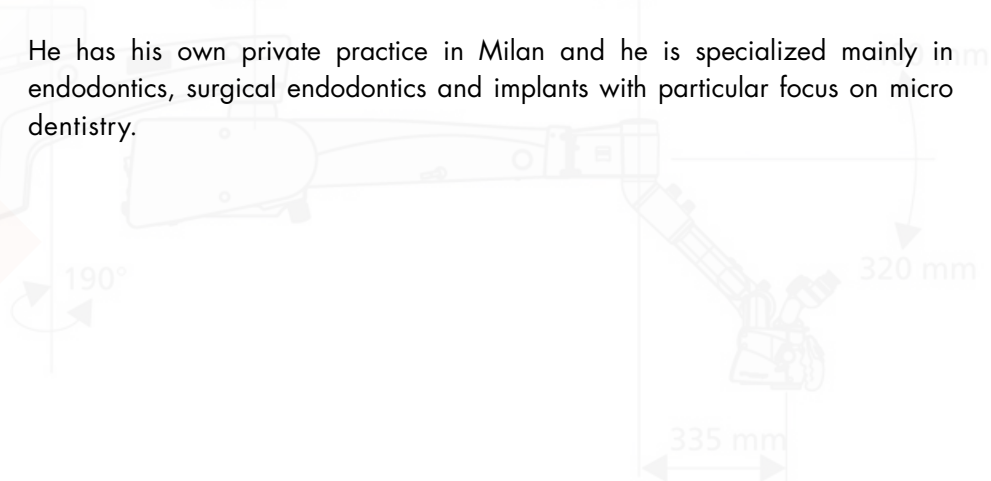

Active member of the Italian Society of Endodontics, of the Italian Academy of Microscopic dentistry, Specialist Member of the European Society of Endodontology and member of the American Association of Endodontists. From 1994-1998 he was a member of the admission committee of the S.I.E. From 1998-2001 he was the cultural secretary of the Italian Society of Endodontics and the president from 2003 to 2005.

At the moment he is the past-president of the S.I.E. He has lectured on various endodontic topics all over the world. He has published on many national and international journals and he has also produced scientific videos.

With C.J. Ruddle he has published a series of videos called "The endodontic game" distributed in Europe, USA, Canada, Australia, and Asia.

He is visiting Professor, head of the Peri-oral Aesthetics Course at the faculty of Odontology of the Università Vita Salute San Raffaele - Milan.
Founder of STYLE ITALIANO ENDODONTICS.

He has his own private practice in Milan and he is specialized mainly in endodontics, surgical endodontics and implants with particular focus on micro dentistry.

Program

Friday April 7th, 2017

- 8:30 am - 9:00 am Registration
- 9:00 am - 9:30 am Opening Ceremony
- 9:30 am - 10:15 am **Pr. Giuseppe Cantatore**
 - "Latest trends in Endodontics: Glide Path creation with ProGlider, Root Canal Shaping with ProTaper Next and Obturation with the GuttaCore obturators."
- 10:15 am - 11:00 am **Pr. Giuseppe Cantatore**
 - "WaveOne Gold: the Gold Standard in reciprocating endodontic files."
- 11:00 am - 11:30 am Coffee Break
- 11:30 am - 1:00 pm **Dr. Filippo Cardinali**
 - "Safe and ergonomic shaping using a new and innovative rotary file system."
- 1:00 pm - 2:30 pm Lunch Break
- 2:30 pm - 4:00 pm **Dr. Gianluca Plotino**
 - "The advantage of reciprocating instruments in retreatments and complex cases."
- 4:00 pm - 4:30 pm Coffee Break
- 4:30 pm - 6:30 pm **Dr. Oscar Von Stetten**
 - "Shaping and Cleaning. Something new?"
 - "Microscope: which, when, why?"
- 6:30 pm - 8:00 pm **Workshops**
 - Microscope training FKG, Dentsply, MM, VDW

Saturday April 8th, 2017

Full day microscope with **Dr. Fabio Gorni**

- "Don't be blind improve your vision: The role of the microscopy in endodontics."
- 10:00 am - 11:30 am **Dr. Fabio Gorni**, Part 1
- 11:30 am - 12:00 pm Coffee Break
- 12:00 pm - 1:00 pm **Dr. Fabio Gorni**, Part 2
- 1:00 pm - 2:30 pm Lunch Break
- 2:30 pm - 5:30 pm **Dr. Fabio Gorni**, Live Demo

Registration Fees:

- LSE Member: 250,000 L.L. (Buffet Lunch)
- Non LSE Member: 300,000 L.L. (Buffet Lunch)
- Postgraduates: 150,000 L.L. (Lunchbox)

Workshop Fees:

- Microscope training FKG: 150,000 L.L.
- Dentsply, MM, VDW: 75,000 L.L./workshop
